## Dry Weather Inspection Report

Your email address ([jerdman@utah.gov](mailto:jerdman@utah.gov)) will be recorded when you submit this form. Not you? [Sign out](#)

\* Required

### INSPECTION INFORMATION

Inspection Date (Inspect during dry periods; 72 hrs since previous storm) \*

Date

mm/dd/yyyy

Inspector's Name(s) \*

Your answer

Outfall ID \*

Your answer

Region \*

Choose ▾

County \*

A google form will open. Important to write down OUTFALL ID prior to opening inspection as it is a required field. Outfall ids are predefined unique numbers that are assigned to each outfall. The first 4 numbers correspond to the maintenance station to which the outfall is within it's boundary.
